

Announcement of Acquisition: Atlas Copco Group and Integrated Pump Rental

Dear Valued Customers and Members of the General Public

We are pleased to announce that Atlas Copco Group has acquired Integrated Pump Rental as of 1 September 2024. This acquisition represents a significant milestone in our ongoing efforts to expand and enhance our service offerings within the specialty rental market.

Integrated Pump Rental will be incorporated into the Atlas Copco Specialty Rental division and will operationally form part of Rand Air Pty Ltd. Through this strategic move, we aim to leverage the strengths and expertise of both companies to deliver even greater value to our customers and stakeholders.

Rand Air Pty Ltd, as the leading specialty rental supplier, brings a wealth of experience and a comprehensive range of solutions to the market. The inclusion of Integrated Pump Rental within our portfolio will further diversify and expand the rental options through specialized dewatering solutions. We are confident that this acquisition will enable us to meet your needs more effectively and efficiently.

Our commitment to providing high-quality, reliable, and innovative rental solutions remains unwavering. We assure you that this transition will be seamless and will not cause any disruption to the excellent service you have come to expect from us. We are excited about the opportunities this acquisition presents and look forward to continuing to serve you with enhanced capabilities.

Thank you for your continued trust and support. Should you have any questions or require further information, please do not hesitate to contact us.

Yours sincerely,

Karel Verstraeten
